>>

ST. PETER PORT, Guernsey, June 9 /CNW Telbec/ - Avnel Gold Mining Limited ("Avnel" or the "Company") (TSX: AVK) announces that, further to its press release of May 21, 2009, gold production operations re-commenced at the Kalana Mine on June 7, 2009. Production is currently at approximately 70% and full production is expected by June 10, 2009.

The main pump station at 180m level is operating following the dewatering of the flooded pump station and power supply reticulation equipment on May 20, 2009. The electrical equipment was dried out and re-commissioned. The company has ordered some electrical spares as some components of the Motor Control System may have been compromised.

About the Company:

Avnel is a gold mining producing company operating the Kalana gold mine and is engaged in the exploration of the Kalana Exploitation Permit and Fougadian exploration permit.

Avnel's principal asset is an 80% interest in Société d'Exploitation des Mines d'Or de Kalana ("SOMIKA"). SOMIKA is the holder of a 30 year exploitation permit encompassing 387.4 sq. km. around and to the south of the operating Kalana gold mine in South West Mali. Avnel also holds the Fougadian exploration permit covering an area of 150 sq. km. which lies to the South of the main Kalana exploitation permit.

Forward-Looking Information

This release includes certain statements that may be deemed "forward-looking statements". All statements in this release, other than statements of historical facts are forward-looking statements. Although Avnel believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results or developments may differ materially from those in the forward-looking statements. Factors that could cause actual results to differ materially from those in forward looking statements include market prices, continued availability of capital and financing and general economic, market or business conditions. Investors are cautioned that any such statements are not guarantees of future performance and actual results or developments may differ materially from those projected in the forward-looking statements. Avnel does not assume any obligation to update or revise its forward-looking statements, whether as a result of new information, future events or otherwise.
